Communities Impact Classification for EORE**

Communities Impact Classification for EORE

The impact scores from the assigned criteria are summed up making a total score for weighing the level of impact.

The total scores given to an Impacted Community or population group are classified into high, medium and low impacts. Communities gaining a total score of 9 and above are classified as high impact, communities with scores from 5 to 8 classified as medium and 1 to 4 are classified as low impact.

Note: This impact classification is not applicable for Mine /ERW RE in schools and through mass media.

Impact Classification	Total Score	Ranking
High Impact	9 and above	All such communities are high priority for RE and should be planned immediately.
Medium Impact	5 to 8	All such communities are the second priority for RE and should be planned after the high priority.
Low Impact	2 to 4	All such communities are third priority for RE and should be planned after the medium priority.
